Trip Up The Nile Socks

by Benita Story (c) 2013

As you start at the cuff of the sock, you are given a glimpse of the riches and glory of ancient Egypt. Gold and deep blues and purples represent the head dress and funerary masks of the Pharaohs.

On the leg, you are entering Egypt at the bottom of the Nile River, where it drains into the Mediterranean Sea. This trip is via boat traveling through the reeds and rushes in the edges of the river. While you sail up the river, you can fish in order to pass the time and to try for fresh meat to roast for your supper.

Under the fish, at the bottom of the river, is the "murky deep." Here is the accumulation of the waste from crocodiles, hippopotamuses, and fish as well as decaying plant material. This is an important resource to that part of Egypt that lies on either side of the Nile, because, during the rainy season, the Nile floods its banks and this material from the murky depths of the river flows out and fertilizes the fields along side the river. This flooding each year causes the soil to grow rich crops to feed the people of Egypt as well as their livestock. The heel flap shows the crops growing in the fields.

As you continue your trip up the Nile River, you will pass pyramids and temples with their shapes following you as you travel, as well as the columns of places such as Esna Temple near Luxor. The temples and pyramids are represented on the top of the foot and the columns are on the bottom of the foot.

Once again, the toe of this sock reminds you that you are in the land of the Pharaohs and it is their riches that have caused the sites you have see to exist. I hope you have enjoyed your trip.

The End

Yarn used is Cascade 220 Fingering Weight. It is recommended using reinforcement yarn in either dark purple, dark gray or bBlack when knitting the heel flap, heel turn and toe decreases. This will increase the life of these socks greatly.

Gauge: 9 rows and 5 stitches = 1 inch.

Size US2 needles, either set of 5 dpns or 8" or 9" circular such as Addi or Hiya Hiya.

Cast on 72 stitches in 8886 Italian Plum either over two needles, over a needles 2 sizes larger, or using a super stretchy cast on, and join in the round making sure the stitches are not twisted. Begin knitting row one of Chart One for the leg.

When you have completed Chart Two - The Heel Flap and Heel Turn, continue using 8886 Italian Plum yarn, and pick up the 16 slipped stitches along the side of the heel flap, knit along the instep, then pick up and knit the 16 slipped stitches along the other side of the heel flap. Then knit the first 6 stitches of the 12 remaining stitches of the heel turn. This will bring you back to the center back
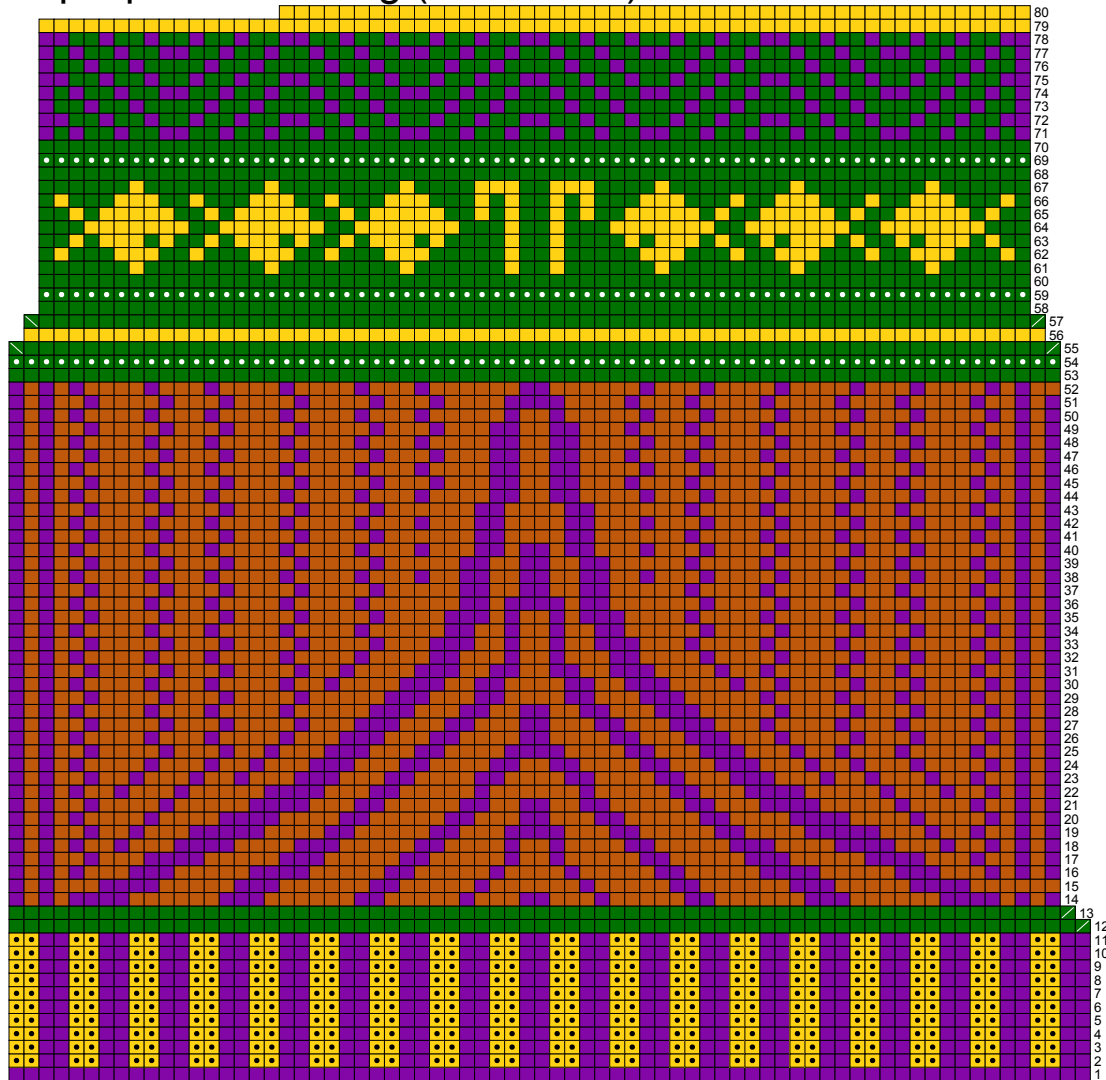

and the beginning of the first round of Chart Three. Place marker and begin Chart Three at this point.

This sock is written for a women's size US7 foot. If your foot is longer than 9 inches, before you begin the toe decreases on Chart Three, knit two rows of 8267 Forest Green and 2 rows of 7827 Goldenrod for every 1/2 inch of needed length.

To cast off, simply break off the yarn, leaving at least 12", and, using a tapestry needs, thread the remaining stitches onto the tapestry needle, going around twice. Then pull the opening closed, poke the needle through the center and weave in the end on the wrong side. Weave in all remaining ends. Sock should be hand-washed and either blocked on sock blockers or laid flat to dry.
